

Thank you for your interest in becoming a corporate sponsor of the Huntsville Electro-Optical Society. HEOS is a local section of the Optical Society of America and a regional chapter of The International Society for Optical Engineering (SPIE). HEOS exists to stimulate interest in optics and the engineering of optical systems, to promote the mutual needs of its members, and to encourage free discussions of problems and discoveries among investigators of optical problems, designers, manufacturers, and users of optical apparatus.

Corporate sponsorship includes ten HEOS memberships for employees, a prominent listing as a sponsor on the HEOS web page at <http://www.heos.org/>, and access to the talents of the Huntsville electro-optical community. The cost is \$200 for each year of sponsorship.

To become a corporate sponsor, please return this form along with a payment of \$200 for each year of sponsorship to a HEOS officer, or mail to:

Tommy Cantey
